Dear Mr. Ad Van Lokven

Expressing our sincere gratitude

I Am writing this letter to express our sincere gratitude for the donation as well as the support you provided for our school.

As I mentioned you earlier we faced a lot of difficulties without a proper building for a canteen.

Truthfully, we could not build this “Dream Castle” without your generous donation. Also I believe you are the person I met with kindheartedness and I could like to thank for your confidence about me. Please remember your friend Mr. Geert.

Wish you all the best.

Thank you,

Chandani Gamage

The Principal
